2019 GRAND NIA

Mundo Reves wines are the first wines produced by Quentin and Thibault. The first vintage is a malbec 2009, of which we still have very few remaining bottles. At that time, grapes from La Consulta were bought, but step by step, grapes from higher vineyards started to be acquired.

Variety: 50% malbec / 50% cabernet franc

Appellation: GI Paraje Altamira. Highly calcareous soils located at 1100 m.

Harvest and winemaking: Both varieties are harvested manually during the second week of March, in order to preserve freshness. They ferment separately in concrete tanks, with indigenous yeast and low extraction. This blend of malbec (50%) and cabernet franc (50%) is aged 15 months in barrels: second-fill Bordeaux barrels (225 L) for the malbec, to preserve the fruit, and first-fill demi-muids (500 L) for the cabernet franc, bringing its fresh, austere tannins more elegance and giving this powerful blend the depth and tension of a Grand Vin.

Vineyard age: Between 15 and 30 years old

Yield: 6,5 tons per hectare

First vintage: 2019
