CABERNET FRANC

Mundo Reves wines are the first wines produced by Quentin and Thibault. The first vintage is a Malbec 2009, of which we still have very few remaining bottles. At that time, grapes from La Consulta were bought, but step by step, grapes from higher vineyards started to be acquired. Currently, these two winemakers are producing a blend of Malbec from Chacayes (1,300 masl) and from Paraje Altamira (1,100 masl).

Since 2017, a Mundo Reves Cabernet Franc has been produced, also from Paraje Altamira. This is the wine from which this project, trip to Argentina and story started, ten years ago. They all age in French oak, at least partially, in order to get elegance and complexity.

Grape variety: 100% Cabernet Franc

Appellation: Paraje Altamira

Harvest and winemaking: the Cabernet Franc is usually harvested during the last week of March or the first week of April. The grapes ferment in concrete vats, the maceration lasts around 30 days, then the wine is racked in 500 l oak barrels and ages there for 15 months.

Age of the vines: 20 years

Yield: 6 tons per ha

First vintage: 2017
