CABERNET FRANC

These wines are a tribute to the surrealist universe of the film director Federico Fellini, whose works are usually compared to the literary works of the most famous Argentinian writer, Jorge Luis Borges and his magical realism. ASA NISI MASA is a magic formula, a code that children use to avoid that adults can understand them and therefore, escape from their world.

ASA NISI MASA reminds the adults of the remote dreams of their childhood. The winemaking of these wines focuses on freshness, tautness and fruit. The first vintage was a malbec in 2015, then a bonarda was made in 2017, and finally a cabernet franc appeared in 2020.
